

Santa Clarita Warriors Football - 2023 Coach's Code of Conduct

As a Coach with SCVAA Warriors Football, I will:

1. Treat each player as an individual, understanding the vast range of emotional and physical development of players at a given age.
2. Coach to teach the techniques of the game in a way that will keep my players safe, but also encourage a desire to continue playing the sport of football. I am not coaching for my personal goals as this is a youth sport, and not for adults.
3. Not use profanity, smoke or use alcohol at any practice or game in accordance with the SCVAA and PYFL bylaws.
4. Maintain good sportsmanship. Any coach found criticizing, arguing, threatening or fighting with officials, players or coaches (on your own team or the opposing team), or fans, can be removed from Warriors Football and possibly the PYFL.
5. Have read and understand the PYFL Bylaws and the Warriors Football Parent Handbook, and will abide by all rules and regulations set for in both documents.
6. Emphasize that good athletes also need to be good students and make sure that no player is putting football before school.
7. Be responsible for all equipment provided to me or my players by Warriors Football. I will oversee my team during equipment handout and turn-in dates.
8. Never negatively criticize a player in front of spectators or teammates.
9. Emphasize the importance of "teamwork" and the role each player has to the team -- it's what builds character and is critical to the outcome of the game.
10. I agree that I must complete any mandated PYFL/SCVAA clinics and courses and have all processed paperwork on file prior to participating in any practice and/or game on behalf of Warriors Football.
11. Not allow a player that has been deemed unable to play by his parent or guardian, by the team medic, by the game commissioner, by a personal physician, or by my own judgment to return to a game or practice until such time as I receive a doctor's note.

Failure to comply with any of these codes can result in a review by the Warriors Football Board to determine what disciplinary action, if any, is needed.
